## **DETAILED ACTION**

### ***Response to Applicant's Amendment***

1. Based upon the Appeal Brief filed 2-9-2006, examiner withdraws all rejections to all claims.

### ***Allowable Subject Matter***

2. **Claims 1-20** are allowed over the prior art of record
3. The following is an examiner's statement of reasons for allowance:

In the examiner's opinion, it would not have been obvious to a person of ordinary skill in the art to vary the backoff delay number range as a function of a received inquiry signal power level as an improvement to the known handshaking protocol in the systems disclosed by applicant's admitted prior art, 'Specification of the Bluetooth System V1.1'. Examiner further notes the use of the term 'Bluetooth' in claims 16 and 20 is read by the examiner to refer to the 'Specification of the Bluetooth System V1.1' as noted in applicant's specification 2<sup>nd</sup> paragraph.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Jamal whose telephone number is 571-272-7498. The examiner can normally be reached on M-F 9AM-6PM.
